

Do you love your career?

Do you know someone with a strong passion for their job?

We are looking to schedule passionate people to speak to our 7th and 8th grade students in order to experience a wide-variety of career choices!

Speakers need to be available Tuesdays, Wednesdays, or Thursdays from 11:10-11:50 pm. Students interested in the career of the day will be able to come *find their futures!*

Email Mrs. Tammie Morman with your name, career, and best availability (February, March, or April). She will be in touch to coordinate dates and presentations.
